7016 W. Grandridge Blvd.
Kennewick, WA 99336

16 Category I CME Hours

A two-day CME seminar co-sponsored by the American College of Physicians of Southeast Washington, Benton/Franklin Health District, Benton/Franklin Medical Society, Kadlec Medical Center, Kennewick General Hospital, Lourdes Medical Center, and Mid-Columbia Medical Associates.

Objectives

By the end of this Workshop, you will know the:

1. History of the practice of medicine in the Tri-Cities.
2. Epidemiology and pathogenesis of zoonosis, tick-borne diseases, West Nile virus infection and avian influenza.
3. Epidemiology, diagnosis, treatment and prevention of:
 - 3.1 common pediatric infection and PTB
 - 3.2 HIV, pertussis and Hepatitis B & C
 - 3.3 community-acquired hospital and healthcare associated pneumonia
 - 3.4 common geriatric syndromes and dementia
4. Incidence, diagnosis, treatment and prevention of:
 - 4.1 STD
 - 4.2 MRSA, VRE and C-Diff
 - 4.3 Pertussis
 - 4.4 Travel-related illness in adults
5. Differential diagnosis of abnormal liver function and cost effective work-up and treatment of abnormal liver function.
6. Common causes, mechanisms, diagnosis and prevention of renal failure.
7. Common causes, diagnosis and treatment of hypertension and osteoporosis.
8. Common skin disorders and the corresponding diagnosis and treatment.
9. Epidemiology, differential diagnosis and treatment of vertigo.
10. Pathophysiology and treatment of pain.
11. Definition and common causes of obesity in clinical practice, understand the different diet definition, diagnosis and treatment of metabolic syndrome.

Registration

MD, DO, PA, Nurse Practitioner

Registrations before August 31, 2006:

2 days: \$120.00

1 day: \$ 80.00

Registrations after August 31, 2006:

2 days: \$150.00

1 day: \$100.00

Hands-on Workshop (1 Day Seminar Required)

Space is limited. Registration is on a first come, first serve basis.

Intraarticular Workshop: \$40.00

Skin Biopsy: \$40.00

Nurses, Medical Assistants, Technicians:

Registrations before August 31, 2006:

2 days: \$60.00

1 day: \$40.00

Registrations after August 31, 2006:

2 days: \$90.00

1 day: \$60.00

REGISTRATION (please print clearly):

Name: _____ Title: _____
Last Name First Name

Address: _____

City: _____ State: _____ Zip: _____

Daytime Phone: _____

Email: _____

Attending: Amount:

☐ One-Day _____

☐ Two-Day _____

☐ Workshop: Skin Biopsy _____

☐ Workshop: Intraarticular _____

Total amount enclosed: _____

Mail Registration and Make Check Payable to:

ACP - SE Washington
c/o Marlene Chua
176 Kentwood Court
Richland, WA 99352

Accreditation

This CME meeting is accredited by the ACP CME Accreditation Committee to sponsor CME activities for physicians. This educational activity is designated for a maximum of 16 hours of Category I to satisfy the re-licensure requirement of the Washington State Medical Quality Assurance Commission and the AMA Physicians Recognition Award. Each physician should claim only those hours credit that he/she actually spent in the educational activity.

- 
12. Updated treatment of diabetes mellitus.
 13. Epidemiology, differential diagnosis and work-up of anxiety disorders.
 14. Epidemiology, etiology, diagnosis and treatment of common eye complaints.
 15. Different techniques of:
 - 15.1 intraarticular injection
 - 15.2 skin biopsy
 16. Incidence, diagnosis, treatment and prevention of:
 - 16.1 catheter-related infection, bacteremia and fungemia
 - 16.2 orthopedic and other device-related infections
 17. New pediatric vaccines and pediatric immunization guidelines.
 18. Infection control issues on surgical prophylaxis, staff compliance and the ICU.
 19. Common drug interaction, its mechanisms and prevention in clinical practice.
 20. Different classes of antibiotics, their indications and limitations.
 21. Different forms of alternative medicine, their indications and limitation in clinical practice.
 22. Importance of:
 - 22.1 ICD coding, documentation/CPT/EMR in clinical practice
 - 22.2 ACP (American College of Physicians) in the practice of clinical medicine

Lecture Topics Day 1

Time	Lecture Topics	Speaker
7:30-8:00am	Check-In	
8:00-9:00am	Catheter Related Infection Bacteremia and Fungemia	Dennis Maki, MD
9:00-10:00am	Orthopedic and other Device Related Infections	Dennis Maki, MD
10:00-10:15am	BREAK (Exhibit Hall)	
10:15-11:15am	Travel Medicine & Immunization Update	Elaine Jong, MD
11:15-12:15pm	MRSA, VRE & C Diff	Timothy Dellit, MD
12:15-1:00pm	LUNCH (Exhibit Hall)	
1:00-2:00pm	Antibiotic Update	David Spach, MD
2:00-3:00pm	Influenza, Pneumonia	David Spach, MD
3:00-3:30pm	BREAK (Exhibit Hall)	
3:30-4:30pm	HIV	Chris Behrens, MD
4:30-5:30pm	Pain Management	Carrie Horwitch, MD

Ramesh Khanna, MD

Karl D. Nolph Distinguished Professor of Medicine, University of Missouri
Columbia, Missouri

Lynn Kohlmeier, MD

Clinical Instructor, University of Washington
Spokane, Washington

Scott W. Lindquist, MD, MPH

Director/Health Officer, The Kitsap County Health District
Bremerton, Washington

Dennis G. Maki, MD

Ovid O. Meyer Professor of Medicine, University of Wisconsin
Madison, Wisconsin

W. Hugh Maloney, MD

Clinical Assistant Professor, Department of Medicine, UW
Clinic Chief, UWPB
Governor, ACP Washington Chapter
President-Elect, Washington State Medical Association
Seattle, Washington

Douglas S. Paauw, MD

Professor of Medicine, University of Washington
Seattle, Washington

Astrid Pujari, MD

Clinical Instructor, University of Washington School of Medicine
Seattle, Washington

Muthulakshmi Ramesh, MD

Internal Medicine, Kadlec Medical Center
Richland, Washington

Paul Quentin Smith, MD

Ophthalmologist
Richland, Washington

David H. Spach, MD

Professor of Medicine, University of Washington
Seattle, Washington

Jeffrey I. Wallace, MD, MPH

Associate Professor, University of Colorado Health Sciences Center
Denver, Colorado

Faculty

Christopher B. Behrens, MD

Clinical Assistant Professor, University of Washington
Seattle, Washington

Roderick S. Coler, MD

Department of Medicine, Kennewick General Hospital
Kennewick, Washington

Harvey R. Crowder, DVM, MS, DACVPM

Public Health Administrator, Public Services
Walla Walla, Washington

Timothy H. Dellit, MD

Assistant Professor of Medicine, Harborview Medical Center
Seattle, Washington

Timothy C. Evans, MD

Associate Professor, University of Washington
Seattle, Washington

Gregory C. Gardner, MD

Professor of Medicine, University of Washington
Seattle, Washington

Farrukh Hashmi, MD

Department of Psychiatry, Lourdes Health Network
Richland, Washington

Erik Hewlett, MD

Professor of Medicine & Pharmacology, UVA School of Medicine
Charlottesville, Virginia

Carrie A. Horwitch, MD, MPH, FACP

Associate Program Director, Virginia Mason Medical Center
Clinical Assistant Professor, University of Washington
Seattle, Washington

Elaine C. Jong, MD

Clinical Professor of Medicine, University of Washington
Seattle, Washington

Emmet Keefe, MD, FACP

Professor of Medicine, Stanford University School of Medicine
Palo Alto, California

Meet the Experts Workshops Day 1

Time	Meet the Experts Workshops	Facilitator
7:30-8:00am	Check-In	
8:00-9:00am	Common Geriatric Syndromes	Jeffrey Wallace, MD
9:00-10:00am	Dementia	Jeffrey Wallace, MD
10:00-10:15am	BREAK (Exhibit Hall)	
10:15-11:15am	Infection Control	Timothy Dellit, MD
11:15-12:15pm	Travel Medicine	Elaine Jong, MD
12:15-1:00pm	LUNCH (Exhibit Hall)	
1:00-2:00pm	Orthopedic and other Device Related infections Catheter related infection Bacteremia/Fungemia	Dennis Maki, MD
2:00-3:00pm	Pediatric Infectious Diseases & PTB Updates	Scott Lindquist, MD
3:00-3:30pm	BREAK (Exhibit Hall)	
3:30-4:30pm	STDs	Carrie Horwitch, MD
4:30-5:30pm	Pediatric Immunization Update	Scott Lindquist, MD

Lecture Topics Day 2

Time	Lecture Topics	Speaker
7:30-8:00am	Check-In	
8:00-9:00am	Hepatitis B & C	Emmet Keeffe, MD
9:00-10:00am	Drug Interactions & Side Effects	Douglas Paauw, MD
10:00-10:15am	BREAK (Exhibit Hall)	
10:15-11:15am	Common Skin Disorders	Douglas Paauw, MD
11:15-12:15pm	ICD Coding/Documentation/ CPT/EMR	Hugh Maloney, MD
